We wish every guest to enjoy their stay at Hatfield and ask that you all remember the following

Please don't play ball games on the campsite. Please use the large field and park next to the campsite

Please remember, not everyone likes loud noise, especially after 10pm

If you would like a fire, please use a fire pit
We hire them at a good rate

We are a busy campsite, so please keep to the pitch you have hired and remember, one unit, per pitch
